WEST BENGAL.

Dear Sir/Madam

I have admitted my child Disa Das (UHTD: 30 37414) to St. John's Hospital on 22.02.24. with for treating kidney disease. I came to know from doctor that my child has kidney failure and require dialysis and other treatment. As i am coming from low sou's economic status, i am alone not able to pay the hospital bills; hence i requested hospital for financial support. Hereby i give my consent to you to raise funds for my child's treatment.

Thank you
